3030 Sawtelle Blvd.  
Los Angeles, CA 90066

Dear Wayne and Stephanie:

On behalf of the nearly 500 children at Farragut Elementary School, we thank you for your generous donation to Artworks! 2009. Your contribution helped to make this annual event the best ever, raising \$23,000 for the school's art and technology programs. Specifically, these funds will pay the salaries for the art teacher and computer lab aides, as well as cover the cost of the supplies and materials for the art classroom and computer lab. Students in every grade at Farragut Elementary attend art and computer classes. They also participate in music appreciation classes and in dance classes based on the availability of funds. At Farragut, we give our youngsters a well rounded education which encompasses all the academic subjects including the arts and technology. Our children take a greater appreciation and understanding of the arts with them into secondary school and beyond.

Enclosed is the contribution substantiation form documenting your donation for tax purposes.

In these challenging economic times, when public school budgets are experiencing severe cuts, we appreciate the community's continued investment in the growth and development of children.

Thank you again for your support of Farragut Elementary School!

Sincerely,

Kathleen McKernin and Bonnie Wacker, Event Co-chairs  
Farragut Fan Club
